01

CARDIO ZONE

Run and climb on premium cardio

A Cybex treadmill and a revolving-staircase climber cover steady cardio, intervals and serious conditioning.

CARDIO · MOTORISED

Commercial Treadmill

CYBEX

The premium running station members head for first.

A full-size Cybex commercial treadmill with a large-screen console and a long, wide running deck for walking, jogging, running and interval sessions.

TRAINS Heart & lungs · quads · hamstrings · glutes · calves

- Large-screen console
- Long, wide running deck
- Front handlebar and full-length side rails

CARDIO · CLIMB

Stair Climber

REVOLVING STAIRCASE

The calorie-burner every serious gym needs.

Real stair climbing on a revolving staircase: a tough, low-impact conditioning workout that builds legs and glutes while driving the heart rate up.

TRAINS Glutes · quads · hamstrings · calves · heart & lungs

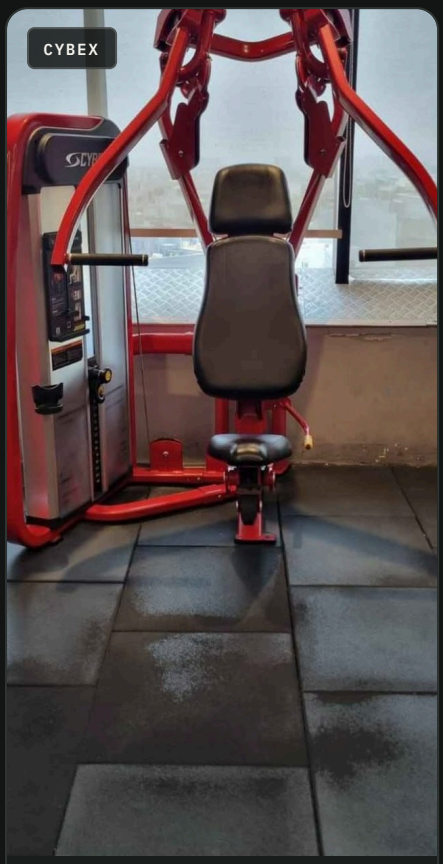

- Revolving staircase for a natural climb
- Curved side handrails
- Console with display and controls

02

CYBEX SELECTORISED · PUSH & PULL

Press and row the Cybex way

Three Cybex stations for chest, shoulders and back, with independent arms, gas-assisted seats and exercise placards that link to form videos by QR code.

SELECTORISED · CHEST

Chest Press

CYBEX

Big-brand pressing power.

Overhead-mounted press arms guide a smooth, natural chest press, so members can push heavy with confidence and no spotter.

TRAINS Chest · front delts · triceps

- Overhead-pivot press arms
- Padded seat and high backrest
- Shrouded stack · exercise placard

SELECTORISED · SHOULDERS

Overhead Press

CYBEX EAGLE NX

Shoulder pressing that feels natural.

The arms travel up and in on a converging path and move independently, so members can press with both arms, one at a time or alternating.

TRAINS Front & side delts · triceps · upper chest

- Converging, independent arms
- Shoulder-friendly scapular-plane grips
- Gas-assisted seat adjustment

SELECTORISED · BACK

Row

CYBEX EAGLE NX

Chest-supported rowing, built for the lats.

A top pivot with four-bar linkage keeps the forearms level and the wrists neutral, while independent arms let members work each side evenly.

TRAINS Lats · mid-back · rear delts · biceps

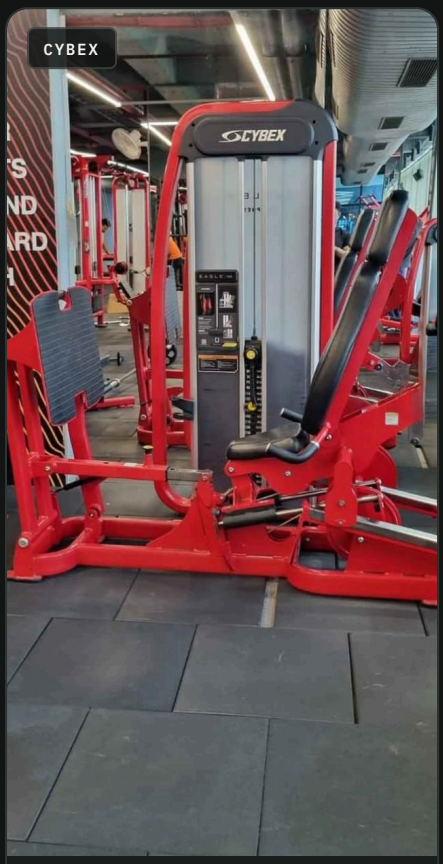

- Adjustable chest pad
- Independent, diverging arms
- Gas-assisted seat · foot brace

03

CYBEX SELECTORISED · LEGS & HIPS

Lower body on premium machines

Leg press, prone curl and hip adduction/abduction from Cybex's Eagle NX and Prestige lines: the heavy hitters of a serious leg day.

SELECTORISED · LEGS

Leg Press

CYBEX EAGLE NX

Heavy leg drive, fully supported.

A seated leg press with a large footplate and a supportive, reclined back pad, so members can load quads and glutes heavy with the spine protected.

TRAINS Quads · glutes · hamstrings · calves

- Large footplate
- Supportive reclined back pad
- Shrouded stack · exercise placard

SELECTORISED · HAMSTRINGS

Prone Leg Curl

CYBEX PRESTIGE

The classic hamstring builder.

Members lie face-down and curl the padded roller through a full arc: strict, isolated hamstring work with the hips held stable.

TRAINS Hamstrings · calves (assisting)

- Prone bench with chest support
- Padded leg roller
- Shrouded stack · exercise placard

SELECTORISED · HIPS

Hip Adduction / Abduction

CYBEX EAGLE NX

Inner and outer thighs, one machine.

Squeeze in for adduction, push out for abduction. Two essential hip movements on one footprint, popular with every type of member.

TRAINS Inner thighs · glutes · outer hips

- Dual function: in and out
- Padded knee pads
- Shrouded stack · exercise placard

04

CYBEX PRESTIGE · ISOLATION

Finishers that complete the floor

A dual-function fly station and a standing calf raise round out the Cybex line-up.

SELECTORISED · CHEST & DELTS

Fly / Rear Delt

CYBEX PRESTIGE VRS

Two machines in one footprint.

Chest flyes facing out, rear-delt flyes facing in. Floating arms adjust for different arm lengths, and the grips offer several hand positions without moving the seat.

TRAINS Chest · rear delts · upper back

- Floating arms for every arm length
- Gas-spring-assisted seat
- Twist Select weight adjustment

SELECTORISED · CALVES

Standing Calf Raise

CYBEX PRESTIGE

Heavy calf work, properly loaded.

Shoulder pads take the load while members rise onto their toes from a stepped platform, for a full stretch and a strong contraction on every rep.

TRAINS Calves (gastrocnemius & soleus)

- Padded shoulder yoke
- Stepped, anti-slip platform
- Shrouded stack · exercise placard

9

05

PRECOR SELECTORISED · UPPER BODY

A complete Precor upper-body line

Six Precor stations with shrouded weight stacks cover pressing, pulling, flyes, triceps and assisted bodyweight work.

SELECTORISED · CHEST

Chest Press

A seated press with wide, multi-grip handles for heavy, controlled chest work.

- Trains chest, front delts, triceps

SELECTORISED · SHOULDERS

Shoulder Press

Overhead pressing from a supported seat, with wide handles at shoulder height.

- Trains delts, triceps

SELECTORISED · ARMS

Triceps Press

A seated dip-style press with a wrap-around bar and neutral handles.

- Trains triceps, chest, front delts

SELECTORISED · BACK

Lat Pulldown

A high pulley with padded thigh rollers for strict, heavy pulldowns.

- Trains lats, mid-back, biceps

SELECTORISED · CHEST & DELTS

Pec Fly / Rear Delt

Pec flyes and rear-delt flyes on one station, with a padded seat and back.

- Trains chest, rear delts, upper back

SELECTORISED · BODYWEIGHT

Assisted Chin / Dip

Weight-assisted pull-ups and dips, so every member can train bodyweight moves.

- Trains back, chest, triceps, biceps

06

PRECOR · LEGS, CORE & FREE WEIGHTS

Legs, back and the barbell basics

Leg extension and curl, a back extension, an Olympic flat bench and a plate tree complete the Precor half of the floor.

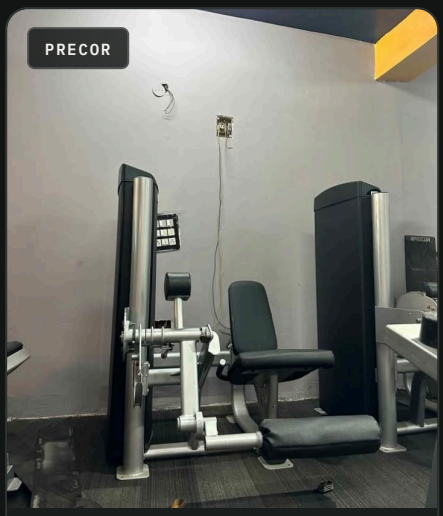

SELECTORISED · QUADS

Leg Extension

Smooth, isolated quad work through a full range of motion.

- Trains quadriceps

SELECTORISED · HAMSTRINGS

Seated Leg Curl

A thigh hold-down and leg roller for strict seated hamstring curls.

- Trains hamstrings

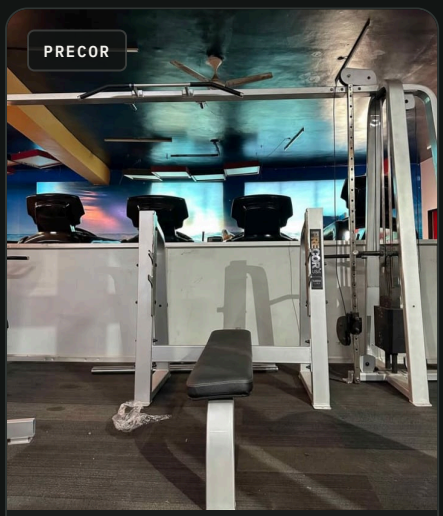

BENCH · CORE

Back Extension

A padded hyperextension station for lower back, glutes and hamstrings.

- Trains lower back, glutes, hamstrings

Free weights & storage PRECOR

OLYMPIC · FLAT

Olympic Flat Bench

A barbell bench press station with built-in uprights to rack the bar.

- Trains chest, shoulders, triceps

STORAGE

Plate Tree

Upright storage with multiple horns, keeping plates organised and off the floor.

- Keeps the lifting area tidy

11
